Wednesday, January ?, 2018 NEW TIME - 12:30 -2:30 PM Date TBD

“Genealogy Lunch & Learn: Identifying Documents that Help to tell Your Ancestors’ Story”

Speaker: Marlene Katz Bishow

At a minimum, genealogy can be names and dates. To tell a richer story, we can seek out documents, photographs, maps and historical events. Marlene will show how she developed a fuller understanding of her maternal grandfather through extensive research.

Participants are requested to bring one item that is associated with a family story.

Bring your lunch and we will provide beverages & cookies.

All meetings are held at:

**Vantage House
5400 Vantage Point Road
Columbia, Maryland**
