Our next meeting:

"Family Treasures & Family Stories"

On

Monday, February 12 at 12:30 PM

Make your Family History more interesting by including information about family treasures and family stories. Please bring a family treasure (photos OK) to discuss with the group. Perhaps your family has a story (or Bubbimisas) that has been passed down that you can expand on, validate or disprove. How do these enhance your research and presentation?

Meetings are held at

**Vantage House
